

CHBA – Simcoe County – Ice Fishing Tournament Rules

Please bring an ice chisel or axe to re-open holes if needed (a cold spell may cause holes to freeze over from 1 to 2 inches)

1. **EVERY PARTICIPANT MUST BRING A CONTAINER (WE SUGGEST A COOLER) LARGE ENOUGH TO CARRY A FISH TO THE WEIGH STATION. DEFINITION OF A COOLER:** a container large enough to contain a 30 inch pike i.e. minimum length (not height) of 24 inches. The participant must be able to carry it to the weigh station. WE DO NOT recommend sharing a cooler. (See rule #14)

2. **ELIGIBLE SPECIES:** The eligible species are outlined in the “*Recreational Fishing Regulations Summary 2009-2010*” prepared by the Ministry of Natural Resources.

3. All ice fishing tournament holes will be in rows approximately 30 feet apart.

4. Official Fishing Tournament Applications for registration will be accepted until February 13th, 2010. To qualify for the Early Bird Draw, a Registration Form must be received or postmarked by January 7th, 2010 along with a cheque or money order payable (no cash in mail), or credit card payment to the Canadian Home Builders Association – Simcoe County. Post dated cheques will not be valid until the date on the cheque.

5. All participants will abide by Ontario Fishing Regulations. **A Fishing license is not required due to the Ontario Family Fishing Weekend February 13-14, 2010.**

6. If you leave your hole unattended for a distance more than 60ft (distance of 2 holes) you have to remove your line from the hole (no exceptions.)

7. A participant breaking any of the tournament rules and/or any applicable Ontario laws will be disqualified with no refund of entry fee.

8. Any participant may be disqualified and prosecuted under the Criminal Code of Canada for using fraudulent means to acquire prizes.

9. There is no minimum age for participants however all participants under the age of 16 must be with a parent or guardian at all times during the tournament.

10. The tournament is scheduled for February 13, 2010 from 2:00 noon to 3:00 pm on Lake Simcoe, in Barrie (on Kempenfelt Bay), at the South Shore Community Centre. In the event of very cold temperatures, before starting time we will announce the tournament will be shortened by one hour and ending at 2:00pm. The distribution of draws and prizes will be advanced by one hour.

11. Prizes are determined by the heaviest weight and time registered. In the event of a tie, the first fish registered wins. For example, if three 4-pound Northern Pike are the largest fish entered in the tournament, the one registered earliest will take 1st place. The fish entered next will take 2nd and the one registered the latest will take 3rd place. **If still tied, the participant having registered for the tournament the earliest will win.** All fish are counted in each weight/time category starting from the largest registered and then proceeding down to the smallest.

12. Each person will be allowed to fish two holes maximum. You may register as many fish as you want, but only the heaviest fish per hole will qualify for a prize.

13. Only participants with two holes become eligible for two prizes.

14. To reserve a hole (or two), a participant must stick a strap beside the hole (or holes.) The other sticker goes on the cooler. A hole with a sticker on the marking stick is reserved: DO NOT TOUCH! Participants must look after their own hole(s) only. No saving holes for your friends!

15. Fishing holes will be determined on a first come first served basis. If you arrive first in the fishing area and have chosen a hole, set your sticker on the marking stick. Thus you have identified your fishing hole.

16. If a participant is caught reserving more than two holes (maximum allowance), he/she will be disqualified and so will the participant owning that registration number.

17. Participants will not be allowed to drill their own holes. All holes will be pre-drilled within the fishing area.

18. Any entrant found to be sharing caught fish as determined by tournament officials, can be disqualified.

19. All fish entered must be brought to the Judges' stand on food immediately and alive **in containers (see rule 1)** Dead or frozen fish are ineligible. Judges will have the right to verify that fish were legally caught. The judges' decision is final. Fish may be registered by rightful owner/possessor with his/her tag and a sticker on the cooler (exceptions made for the handicapped.)
